Ode to the Dress - Toyah Love
2021-05-11

A dress (also known as a frock or a gown) is a garment traditionally worn by women or girls consisting of a skirt with an attached bodice (or a matching bodice giving the effect of a one-piece garment). It consists of a top piece that covers the torso and hangs down over the legs. A dress can be any one-piece garment containing a skirt of any length, and can be formal or casual. A dress can have sleeves, straps, or be held up with elastic around the chest, leaving the shoulders bare. Dresses also vary in color. The hemlines of dresses vary depending on modesty, weather, fashion or the personal taste of the wearer. Dresses are outer garments made up of a bodice and a skirt and can be made in one or more pieces. Dresses are

generally suitable for both formal wear and casual wear in the West for women and girls. Historically, dresses could also include other items of clothing such as corsets, kirtles, partlets, petticoats, smocks, and stomachers.

LookBook - Éric Salch

2017-10-27T00:00:00+02:00

Éric Salch, le mauvais garçon de la bande dessinée explose les vues sur Facebook avec sa rétrospective sans pitié de la saison 2015/2016 ! L'actu y est disséquée à travers les looks les plus édifiants de l'année : le Look Chauffeur de Taxi, le Look Roland Garros, le Look Jeune Républicain, le Look Migrant, le Look Canal... Son humour piquant est bête et méchant, mais toujours hilarant. Éric Salch sait de quoi il parle : après des études artistiques, il a travaillé en tant qu'illustrateur chez Marithé et

François Girbaud, un créateur de mode pour lequel il réalisait notamment... des lookbooks ! Et puis tout a déraillé avec la publication de son premier album de BD, Les Meufs Cool (Ed. Les Rêveurs). Après s'être montré sous son pire aspect avec les meufs (cool, donc), il décide de retourner la caméra et de dessiner les gens et la laideur qu'il observe dans la rue et dans les médias. Ce sera le LOOKBOOK qui devient son défouloir officiel : il poste ses petits crobards fléchés et commentés sur son Tumblr et sur Facebook. Carton planétaire : des millions de vues sur le net, des centaines de milliers de partages... les gens adorent... ou trouvent ça la-men-table. Un vrai phénomène de société !

press materials, to media relations, to utilizing social media to promote your business, this e-book explains it all and provides simple how-tos, helping you to secure media coverage and build your brand. Until you are ready to bring on the pros, save some money and do the PR yourself. Between then and now, why not save a lot of money without compromising one of the most crucial aspects of marketing, and successfully launch your own PR campaign? This e-book will teach you how!

Create Your Own Lookbook - Cynthia Rehbein 2019-11-30

Are you tired of having a wardrobe full of clothes but nothing to wear? Do you feel like the fashion advice out there doesn't pertain to your life or your lifestyle? Are you looking for a minimalist approach to your style and your wardrobe without losing your sense of self? If you answered yes to any of these questions, this book is for you! Create your own Lookbook was inspired by my own personal style journey and what I learned along the way. Most of my life I was frustrated that I could not find a workable wardrobe that was perfect for me and my lifestyle even though I had the resources and the closet space to do so. I, like many, found myself with a closet stuffed with clothes and yet I felt as though I had

nothing to wear. I read, absorbed and devoured as much of the style advice as I could only to become increasingly discontented. Eventually, I was able to develop the confidence to trust myself and what I have learned along the way. I wrote Create Your Own Lookbook to encourage you to do the same. I was motivated by what fashion designers do season after season. They create a lookbook of curated outfits that showcase their brand identity. We all have our own unique and individual style identity but do not trust in our ability to empower ourselves to develop our own lookbook. I hope to show you how to do this for yourself! I did not want to start from scratch and toss out all that I owned but needed to figure out where to start and how to move forward year after year in creating and curating my own style. It turns out that it isn't that complicated and it's just a click away. Enjoy!

2021-02-09

Winner of the African Photobook of the Year Award A Choice Outstanding Title of the Year A USA Today "Must-Read for Black History Month" An NPR "Goats and Soda" Editors' Pick A BookRiot Favorite Nonfiction Book of the Year An unprecedented visual history of African women told in striking and subversive historical photographs-*featuring an Introduction by Edwidge Danticat and a Foreword by Jacqueline Woodson. Most of us grew up with images of African women that were purely anthropological-bright displays of exotica where the deeper personhood seemed tucked away. Or they were chronicles of war and poverty-"poverty porn."* But now, curator Catherine E. McKinley

draws on her extensive collection of historical and contemporary photos to present a visual history spanning a hundred-year arc (1870–1970) of what is among the earliest photography on the continent. These images tell a different story of African women: how deeply cosmopolitan and modern they are in their style; how they were able to reclaim the tools of the colonial oppression that threatened their selfhood and livelihoods. Featuring works by celebrated African masters, African studios of local legend, and anonymous artists, *The African Lookbook* captures the dignity, playfulness, austerity, grandeur, and fantasy-making of African women across centuries. McKinley also features photos by Europeans—most starkly, striking nudes—revealing the relationships between white men and the Black female sitters where, at best, a grave power imbalance lies. It's a bittersweet truth that when there is exploitation there can also be profound resistance expressed in

unexpected ways—even if it's only in gazing back. These photos tell the story of how the sewing machine and the camera became powerful tools for women's self-expression, revealing a truly glorious display of everyday beauty.
